Important Notes:

- *The smaller apartment on the western side is 120 m² in total (including the inside apartment, balconies, walls, flowerbeds, void area, and the apartment share of the stairs case) has two bedrooms (one of them is Master bedroom with its own bath), a formal living room (i.e., a salon), a closed balcony converted into a dining room, a closed balcony converted into a family room, a kitchen, and a second full bathroom.*
- *The larger apartment on the eastern side is 165 m² in total (including the inside apartment, balconies, walls, flowerbeds, void area, and the apartment share of the stairs case) has three bedrooms (one of them is Master bedroom with its own bath), a formal living room and a family room, a large closed balcony converted into a dining room and a second living room, a kitchen, three bathrooms, and a maid room with its own bathroom.*
- *Each apartment has one independent parking spot.*
- *The Mezzanine is suitable for a children play hall and a meeting room.*
- *The building is enabled to meet the necessary conditions for protection from earth quack, lightening, and fire hazards, and it is equipped with two elevators and two electric generators.*
- *Some apartments can benefit from a storage room (cave) in the lower basements for extra cash.*
- *Prices are subject to changes depending on the down payment and size and ease of the remaining payments.*
- *The building has a mezzanine floor, and as such, the first floor position height is equivalent to a second floor in other buildings.*
